"Renata pulled up her shirt, unhooked her bra and filled my mouth with her left breast. She used her right hand to pinch my nostrils until I could only breathe out of the corners of my mouth. I held my mouth open as wide as I could, hoping not to cut Renata's breast with my crooked front teeth. I remember praying to God the Tang overpowered the pork chop, rice, and gravy smell on my breath. I didn't think Renata would want to stay my girlfriend if I made one of her nipples smell like pork chops, rice, and gravy. Choking on Renata's breasts made me feel lighter than I'd ever felt. After a few minutes, Renata grabbed my penis and kept saying, "Keep it straight, Kie. Can you keep it straight?" The above quote refers to a 12 year old boy and his babysitter. Heavy also includes a scene that describes "running a train" on a 15 year old girl. And no, this has nothing to do with Amtrak.
